### **Afterburn by Zane Goodreads Share book**

Afterburn is another book as part of my "Zane Project" and another book I have previously read from Zane. This book, I just found dull. The sex scenes were good and I enjoyed the story on some level, but it just seemed like a cross between erotica and a Hallmark Channel film. Scratch that, Lifetime film, HC likes to end everything happily.

Zane did a fantantic job on that point and it was very important to see that. Since I'm sure we have all been guilty of making someone else pay for someone elses bad behavior. There are great African-American Men out there that are not the typical men displayed in the media. There are good brothers out there. I will always believe that! Nice to see that Zane displayed that in her novel.
