Book of Nonsense amazon de

It is a marvellous landmark in the English tradition of nonsense, which is completely lacking in the Italian culture, of course for historical reasons - but one misses it. But recent history could just show that nonsense, in Italy, is just everyday chronicle. A most enjoyable little precious book.

9780460018067 A Book of Nonsense Everyman's Library

The Book of Nonsense refers to a genre of literature, whether poetry or prose, that plays with conventions of language and logic through a careful balance of sense and non-sense elements. Its strict adherence to structure is balanced by semantic chaos and play with logic. Usually formal diction and tone are balanced with an inherent topsy-turvyness and absurdity. The effect of nonsense is often caused by an excess of meaning, rather than a lack of it.
