[Creating Democratic Citizenship Through Drama Education ...](#)

The relationship between theatre, democracy and pedagogy is explored through the theory and practice of Jonothan Neelands. This selection of his seminal texts in drama education over the last twenty five years shows how Neelands developed classroom participatory democracy through ensemble based theatre education. They feature: [Review of: Creating Democratic Citizenship Through Drama ...](#)

The title [Creating democratic citizenship through drama education](#) may initially lead the reader into thinking this would be a practical guide to teaching citizenship through drama. However, it is a collection of writings written over 25 years, containing predominantly the theory and philosophy of using drama as a way of teaching and learning. It would be suitable as support for undergraduate students on teacher training courses focusing on Key Stage 2 and Key Stage 3 pupils. The
