Germany and the Causes of the First World War by Mark Hewitson

This book reassesses the critical role played by Germany in the events leading to the First World War.

Contemporary historians have argued that German leaders acted defensively in 1914, conscious of the Reich's deteriorating military and diplomatic position.

Germany and the Causes of the First World War by Mark Hewitson

Hewitson creates an interesting counter to the Hamburg school of thought concerning Germany's role in causing the First World War. Brinkmanship (threat of using force) is one of the most interesting themes he brings into the fold.

Germany and the Causes of the First World War: Mark ...

Reviews We should be extremely grateful to Mark Hewitson for providing such an expertly judicious, admirably lucid guide to the variety of explanatory contexts intersecting in the final crisis that produced Germany's entry into the First World War. Geoff Eley, University of Michigan, in EHR (April 2006)

Germany and the Causes of the First World War - Rakuten Kobo

Germany and the Causes of the First World War challenges such interpretations, placing new emphasis on the idea that the Reich Chancellor, the German Foreign Office and the Great General Staff were confident that they could win a continental war. This belief in Germany's superiority derived primarily from an assumption of French decline and Russian weakness throughout the period between the
