The characters were great, the storyline sensitive. Having music woven into it was marvelous. I was cheering for Chase and Jillian to work out the age difference. She's convinced that it's only a matter of time before he tires of her and doesn't believe that Chase could truly care for her. The sex the moment they met was a bit much. The horrible possibilities abound. Too bad they couldn't have had dinner first.

The Slow Burn by Kristen Ashley NOOK Book eBook

Stella Bloom and Lance Greenfield, the narrators did a great job bringing this story to life and I thoroughly enjoyed their performance. Toby and Addi are two halves of a whole and the interaction

between them and the secondary characters was on point. This was a story that I did not want to end and I loved every single minute of it. The characters were captivating and easy to relate to. One click this one I don't think you will be disappointed.
