Greed Incorporated | Board Game | BoardGameGeek
Greed, Incorporated is a game of corporate malversations and greedy executives. You run one or more companies and make their accounting books look as good as possible using every trick that good old honest businessmen ever invented. And some more. Just make sure to leave the company, cashing your exit bonus, before the company crashes and the credit crunch commences. Contents: Rulebook Mounted

Greed Inc.: Why Corporations Rule Our World and How We Let ...

A brilliant investigative piece, Greed, Inc. traces the history of the modern corporation and the effects they have on our society. Tracing their evolution from the medieval era, Wade Rowland exposes the way corporations use their legal status as an individual to escape both legal and moral responsibilities.

Greed, Inc.: Why Corporations Rule Our World and How We ...

Greed, Inc. covers some of the same ground as Joel Bakan's bestselling book, The Corporation, but where Rowland stakes new ground is by investigating how the modern corporation is a perversion of the philosophy of Western thinkers like Adam Smith, who he suggests would be horrified to see how businesses run amok in today's world.
