Making culture happen in the English language classroom

When we discuss the teaching of cultural awareness as a skill as opposed to teaching cultural information, we have to consider a number of issues, such as the curriculum, the materials and the methodology. The challenge is to initiate a debate on what and how to teach to help develop our children as international citizens of the world, using English and other languages as their lingua franca.

Issues and problems in teacher education Britannica com

Issues and problems in teacher education In nearly all countries, courses of the Normal School B, college, and university categories contain three main elements. The first element is the study of one or more academic, cultural, or aesthetic subjects for the purpose both of continuing the student's own education and of providing him with knowledge to use in his subsequent teaching career.
