Morality and Justice 1 - lskitka.people.uis.edu

A shift in the metaphor that guided justice theorizing and research in social psychology occurred during the early 1980s with the introduction of the group value model of procedural fairness.

Of Different Minds: An Accessible Identity Model of ...

An accessible identity model (AIM) of justice reasoning is introduced to explain when people become concerned about justice and how they define what is fair or unfair once justice concerns are activated. This model has two core propositions: (a) People are most likely to think about justice and fairness when self-relevant values and goals are

Linda Skitka - Wikipedia

Linda J. Skitka is a professor of psychology at the University of Illinois at Chicago. Skitka's research bridges a number of areas of inquiry including social, political, and moral psychology.

Risk Focused Policing at Places: An Experimental ...

Drawing upon literature from developmental criminology and place based policing, the Redlands, California Police Department developed the Risk Focused Policing at Places (RFPP) approach to preventing and reducing juvenile delinquency. The RFPP program is a community oriented policing and problem solving strategy that targets risk and
