### **Sources of The Making of the West Volume I To 1750**

I always have a quibble with the newer edition because of what is dropped, but it is usually replaced with something equally important. The selections are long enough to be challenging but not so long as to overwhelm. The questions at the end of each document are such as to invite discussion, not simply a regurgitation of fact. It is a cornerstone of my teaching and many students have admitted to me that the documents become their favorite part of the course.
