chronobiology | Definition of chronobiology in English by ...

Night fears are justified: chronobiology, the study of how the time of day affects the body's functions, is beginning to show that many diseases become worse at night. This superbly edited, richly illustrated book would be properly employed as a textbook for courses focused on chronobiology.

DOCUMENT RESUME ED 328 446 SE 051 926 AUTHOR Ahlgren ...

This book is an outlined for the short study (1- to 2-weeks) of chronobiology, a field of science that explores the relationships between time and biological functions.
