The Witness certainly lived up to her classic voice and style. I enjoyed Liz/Abigail's character and story line. Brooks was lovable and likable. Overall, I'm glad I purchased and know this is a story I will enjoy reading over and over and over again.

Jane B Reviews law-enforcement / revenge / romantic-
suspense 27 Comments. Dear Ms. Roberts: I've always
been a fan of the single title romantic suspense books you
ve written over the straight contemporaries which is
probably why some of the J.D. Robb books are my favorite
in the JD Robb/Nora Roberts bibliography.

Roberts My May book is The Witness by Nora Roberts. I
chose this book because so many book club buddies
recommended it. I'm not a big Nora Roberts fan; I prefer
the In Death series written by N.R. writing as J.D. Robb.
And sometimes, I just want to read a book that I know is
going to end okay.
