Towards a New Map of Automobile Manufacturing in Europe? by D. Sadler, 97835-40588122, available at Book Depository with free delivery worldwide.

Towards a New Map of Automobile Manufacturing in Europe ...

A - perhaps the - central theme around which the RURE programme was conceived is that the restructuring of the production system lies at the heart of the changing map of Europe. Equally, it continues to be the case that the automobile industry lies at the cutting edge of the search for viable new models of production. Some eighty years ago the automobile industry occupied a pivotal position in New Challenges to the Automobile Production Systems in ...

The European automobile industry has never before manufactured as many cars as it does today! Equally, private households in western Europe have never possessed as many cars as they currently do
