[Twentieth Century Music: An Introduction \(4th Edition ...](#)

Twentieth-century music, which conveniently began somewhere around 1900, has, in a very real sense, run its course by the end of the century. The history of culture can be thought of in many ways: as a succession of events (the way we tend to think about ancient history), as the movement of great historical forces (the way we think about the Renaissance and Reformation), in terms of social
